For qualified applicants, the benefits include:

- Rent and/or utilities in arrearage assistance, for families at risk of becoming homeless.
- Security deposits, rent and utility assistance for up to 4 months, for those currently homeless, but have secured new housing.

***All rental assistance is based on Fair Market Value.**

****"At Risk" of being homeless is defined here as receiving a written communication from your landlord advising you of imminent eviction or receiving a utilities notice of disconnection.**
